

Easy

Troye Sivan

You ran away to find something to say
I went astray to make it okay, and he made it easy, darlin'
I'm still in love and I say that because
I know how it seems between you and me, it hasn't been easy, darlin'

I can't even look at you
Would you look at the space just next to your feet?
The wood is warping
The lines distorting
This house is on fire, woo!
Burning the tears right off my face
What the hell did we do?
Tell me we'll make it through

'Cause he made it easy
Easy
Please don't leave me
Leave me

What's left of the dance? That's all on my hands
The rock in my throat, a hair on my coat
The stranger at home, my darlin'
(Like some kind of freak, my darlin')
Now I'm vulnerable, so sad and alone
But don't cry for me, 'cause everyone knows
You reap what you sow, my darlin'
Uh-yeah, yeah, yeah

I can't even look at you
Would you look at the space just next to your feet?
The wood is warping
The lines distorting
This house is on fire, woo!
Burning the tears right off my face
What the hell did we do?
Tell me we'll make it through

'Cause he made it easy
Easy
Please don't leave me
Don't leave me

(He made it easy)
(Please don't leave me)
(He made it easy)
(Please don't leave me)

I can't even look at you
Would you look at the space just next to your feet?
The wood is warping
The lines distorting
This house is on fire, woo!
Burning the tears right off my face
What the hell did we do?
Tell me we'll make it through

'Cause he made it easy

Easy
Please don't leave me, no
Don't leave me

(He made it easy)
(Please don't leave me)
(He made it easy)
(Please don't leave me)
