

My Babe

Troye Sivan

My babe
Don't stand on cheating my babe

Oh yeah
She don't stand on cheating my babe

Oh yea,
She don't stand on cheating

She don't stand on that
Midnight creepin'
My babe

True little honey
My babe

My babe
I know she love me
My babe

Oh yes
I know she love me
My babe

Oh yes
I know she love me

Don't do nothin but
Kiss her honey
My babe

True little honey
My babe
