

## Tell Them What's Going On

TRU

Inside the ghetto you see kids with no shirts or shoes  
And no sweaters, and life is kinda cold,  
Little kids with dirty pampers and a God damn runny nose  
And moms never home, never really had a da  
Now what really going on? , now what should I do?  
My little brothers stomach growling in the God damn rich do  
Searching in the box for something to eat  
Knowing there ain't gon be a God damn thing in there g  
In the middle of the night it get strange  
Sister baby keep crying they want milk man  
But she don't give a damn  
She's out tricking for a hit don't give a fuck bout little sam  
And all night long the neighbors fussing my ear to the wall  
He beats us up and 2 hours later come the police  
Instead of helping honey rather fuck with me  
Its truly on the wall, want my eyes deep  
Now what's really going on g?  
Man this police fatality gotta stop ma  
Cause brother ain't going out like rodney king no more  
Little sammy grew up to be the neighborhood dope dealer,  
Big wheeler, cap peeler, never gave a damn bout another life  
Going to jail cause sam was just another night  
Money and dope was a trade  
But not enough money to save this motherfuck's age  
Mama did sam like change  
Started ganking his own people like in the dope game  
And I better run out to a quarter  
That little sam won't live to see tomorrow  
And the government really don't gives a damn  
Cause every neighborhood you find a fucking sam  
Its some little kid with no pride  
But not enough education to survive  
A lotta people in it to win  
Don't a damn about the lives they lose in the system  
It's a shame, black politics and government  
Damn, uncle sam, so we retaliate,  
So who are you going to judge when we all make mistakes  
So I just move on  
You can't stop a nigga from writting a bout it in a song  
And I ain't the one to get fucked  
In other words you mess with p it's like pressing your luck  
And I'm getting paid,  
And I ain't gon let you treat every damn black man like a slave  
And if you do your wrong, now what really going on
