

Still Enough

True North

Drown me in the ocean, oh
Wring me out to dry, I'll go down without a fight

I tried to carve away, but you take up every part of me
And I can't get your mark erased
You filled up all the pages, we fell apart in stages, yeah

Do you still hate me?
Why do I still take it?

Drown me in the ocean, oh
Wring me out to dry, I'll go down without a fight
Push me to the back burn, oh
Drag me through the mud, am I still enough?

Am I still enough for you?
I've been watching myself break in two
Let's call it what is
When our eyes meet
I can tell that you don't care about me
Like you used to
Why do I let you?

Drown me in the ocean, oh
Wring me out to dry, I'll go down without a fight
Push me to the back burn, oh
Drag me through the mud, am I still enough?

Am I still enough for you?
Cause if I give this up, we can't undo
Everything you put me through
Everything for what?
All of this for what?

Drown me in the ocean, oh
Wring me out to dry, I'll go down without a fight
Push me to the back burn, oh
Drag me through the mud, am I still enough?
Am I still enough?

Am I still enough?
