

# Leatherette Tears

Truly

Now that time  
Has been rolling by  
I see who you are  
I see who you are

Tell me the truth  
Cause I know about you  
I know who you are  
I know who you are

Just like a dog  
You took me for a walk  
Choking on a chain  
Left out in the rain

So I got an inoculation  
And I strengthened my resistance to you  
Glimpses of the past  
We were never meant to last

I see who you are  
It's been revealed  
I see who you are  
So insincere  
I see who you are  
Ms. leatherette tears

There was a time  
I thought you'd always be mine  
Remember the first few years?  
Drowning in the tears

But I'm not afraid  
I don't believe in yesterday  
I know hwo you are  
I know who you are

I see who you are  
It's been revealed  
I see who you are  
So insincere

I see who you are  
Ms. leatherette tears

If I could tell time  
To do what I want  
I'd take you in my arms  
And turn back the clock
