

Deeper Into You

Trust Company

I feel it eating at me, while you still drown me.
And cross the line over and over again.
It's all around me, now I'm here cause of you.

Now I'm falling, I'm falling now cause of you.
Now I'm falling, deeper into you.

Tired of hating myself; I can't let me cross the line for her.
I'm not me when I dream, there's someone else in me.
That I fear cause of you.

Now I'm falling, I'm falling now cause of you.
Now I'm falling, deeper into you.

I'm not me when I dream; I'm not me when I dream, anymore.
Because of you.
Now I'm falling, I'm falling now cause of you.
Now I'm falling, deeper into you.
