

The Fear

Trust Company

Standing here
I'm cold inside with fear
And I can't feel my soul
Take me in
I'm yours again
For awhile - just like the last time

Lead me from the fear
And I won't leave you here
There's a way out
There's a way out
There's a way from here... believe

I feel weak
I'm slowly losing touch
With what is left in me
Take me in
I'm yours again
For awhile - just like the first time

I need you
To keep me here
I'm starting over again
