

Bleeding Into Reality

Tryhardninja

I'm playing with my nightmares
Relentless frightening jumpscares
Adrenaline inside my brain
A flood over my senses
That leaves my mind defenseless
Lines blur between what's real and game
At every turn now...
Oohooohoooh...
I elude their mechanic claws
Oohooohoooh...
Spring locks in their jaws
Oohooohoooh...
Their teeth bite closer
And the cuts they leave feel real because...
I can't stop the bleeding!
Into reality!
I can't stop the bleeding!
Into reality!
Remove the monsters' faces
I'm anxious hands are shaking
And I'm trapped here till the job is done
With caution I repair them
One wrong move and it's the end!
Their world now mine no where to run
It's my new normal...
Oohooohoooh...
I elude their mechanic claws
Oohooohoooh...
Spring locks in their jaws
Oohooohoooh...
Their teeth bite closer
And the cuts they leave feel real because...
I can't stop the bleeding!
Into reality!
I can't stop the bleeding!
Into reality!
I can't stop the bleeding into reality, reality
Oh...
I can't stop the bleeding into reality, reality
Yeah!
And our world will be consumed...
Cause they're break...breaking through...
Immersing me in panic
And whatever happens
They don't want me out
What's real filled with distortion
The file has been corroded!
They're breaking through and now!
I can't stop the bleeding!
Into reality!
I can't stop the bleeding!
Into reality!
I can't stop the bleeding into reality, reality
Oh...
I can't stop the bleeding into reality, reality
Yeah!
I can't stop the bleeding into reality, reality

Oh...

I can't stop the bleeding into reality, reality

Yeah!
