

Couldn't Save

Tryhardninja

So here we are all my crimes on display running tears on my face one last apology
A tragedy fated to walk alone there is no coming home for the lost hearts like me

You don't know what it feels like
or just how hard that I tried
to hold on to who I am
and how could I deserve this
dark prison that is soulless?
how could a kid understand?

So long ago but
there was a day
when we would play but all that's changed
Joyless and hollow
still tried to reshape
the world for the good destined to break
I'm the one I couldn't save
I'm the one I couldn't save
I can't go back
It's too late
It's too late
I can't go back
It's too late

So here we are time to say our goodbye
Please take care of their lives
Something I can not do
and promise me if we do meet again
think of me as I am right now a friend to you

You don't know what it feels like
to wake and open your eyes
and trade arms and legs for a stem
Like watching from outside
a monster grow in your mind
determined to cut down your friends

So long ago but
there was a day
when we would play but all that's changed
Joyless and hollow
still tried to reshape
the world for the good destined to break
I'm the one I couldn't save
I'm the one I couldn't save
I can't go back
It's too late
It's too late
I can't go back
It's too late

So long ago but
there was a day
when we would play but all that's changed
Joyless and hollow

still tried to reshape
the world for the good destined to break
I'm the one I couldn't save
I'm the one I couldn't save
I can't go back
It's too late
It's too late
I can't go back
It's too late
