

# Enjoy Your Trap

Tryhardninja

I got a feeling that I just can't shake  
Feel like a king without a crown or name  
A wasted jester with no joke to make  
It's a dream or a nightmare  
Or maybe I'm just insane

The life I live it doesn't feel my own  
But everyone I know says that I'm home  
I try to flash a grin and keep the show  
But within in the cellar  
Deep down yeah the void still grows

Everything is going to be OK  
Fuck

You got a ticket! Oh, what's that?  
You didn't buy one? That's too bad  
On exhibit yeah you're living  
Where fake choices will be had

What affliction? Oh, depression!  
Don't feel down 'cause that's too sad!  
So yucky. No one wants that  
Please try to enjoy your trap!

Think of an exit or escape somehow  
Salvation that is waiting to be found  
That bubble bursts the moment it comes out  
"Better not!" so they tell me  
Don't bother avoid breakdown

There's no need to eat or sleep  
'Cause if you die your soul they'll keep  
You've signed on signed the contract and accepted all the terms  
So everybody everywhere just find your breaking point and bear it  
Keep up the facade because "we don't accept returns"

You got a ticket! Oh, what's that?  
You didn't buy one? That's too bad  
On exhibit yeah you're living  
Where fake choices will be had

What affliction? Oh, depression!  
Don't feel down 'cause that's too sad!  
So yucky. No one wants that  
Please try to enjoy your trap!

We gave an inch and then an inch; it added up to miles  
They spun the walls around us. Tents went up. We didn't notice  
Recording all our vitals under artificial sky  
Clowns dancing in the digital Technicolor circus

Alright  
That's enough of that  
Come along  
Another adventure awaits

You got a ticket! Oh, what's that?  
You didn't buy one? That's too bad  
On exhibit yeah you're living  
Where fake choices will be had

What affliction? Oh, depression!  
Don't feel down 'cause that's too sad!  
So yucky. No one wants that

Please try to enjoy your trap!  
Please try to enjoy your hack!  
Please try to enjoy  
You're jacked in and can't go back

Please try to enjoy your trap!
