

# Get Away

Tryhardninja

Whoa-oh  
Whoa-oh  
Whoa-oh  
Whoa-oh

Screaming fear in the night  
Lashing out and trying to bite  
Every time I see those eyes  
My heart skips, oh oh  
Hear a nightmare in the room  
And it's voice gets closer too  
Every place it follows me  
My heart skips, oh oh

Insanity prevails, as I  
Run circles 'round my mind

Get away, get away, get away  
Remind myself, don't look back  
Get away, get away, get away  
There's lies behind every mask  
Find a way to escape from this place  
I'm running out of time  
Get away, get away, get away  
Tonight

A neon color shine veneer  
With horror stories underneath  
The lie is bursting at the seams  
It's just a glitch, oh oh  
A show with twisted childhood dreams  
But who's the one who writes the scenes?  
I'm lost in static on the screens  
Is it a glitch? Oh no

Insanity prevails, as I  
Run circles 'round my mind

Get away, get away, get away  
Remind myself, don't look back  
Get away, get away, get away  
There's lies behind every mask  
Find a way to escape from this place  
I'm running out of time  
Get away, get away, get away  
Tonight

What is hunting me?  
More than meets the eye  
Can I ever leave?  
By the morning light?

Get away, get away, get away  
Remind myself, don't look back  
Get away, get away, get away  
There's lies behind every mask  
Find a way to escape from this place

I'm running out of time  
Get away, get away, get away  
Tonight
