

Get Shocked

Tryhardninja

There's a knock at my front door
And I know who it is!
I-I-I-I've been waiting for so long
To get my special gift!

A special delivery, open the door
Come grab the box, you're all I want
You're all that I want
My animatronic robotic friend
Can't wait to see, there's something that's wrong
Something that's wrong

Now I'm run, now I'm run, now I'm running and I can never stop!
Here they come, here they come, yeah they comin', I need an electric shock!
O-oh, o-oh, get shocked!

Instea-ea-eaad of us having our fun
Now you're attacking me?!
You e-e-even brought some of your friends
For extra claws and teeth!

Your special delivery, now in the hall
In every room there's an enemy, there's an enemy!
No refunds, no, no guarentees, no one to help
Just monsters and teeth! It's horror to me!

Now I'm run, now I'm run, now I'm runnin', and I can never stop!
Here they come, here they come, yeah they comin', I need an electric shock!
O-oh, o-oh, get shocked!

Invading my own home! My life, my life!
I'm taking it back, right here tonight!
Now I'm!

Now I'm run, now I'm run, now I'm runnin', and I can never stop!
Here they come, here they come, yeah they comin', I need an electric shock!
Now I'm run, now I'm run, now I'm runnin' and I can never stop!
Here they come, here they come, yeah they comin', I need an electric shock!
O-oh, o-oh
O-oh, o-oh, get shocked!
O-oh, o-oh, get shocked!
