

I Am Flowey

Tryhardninja

Howdy, hows it goin?
I'm Flowey, you seem nice
That's quite a fall that you just took
I hope that you're alright

You must have heard some stories
but down here ain't so bad
'cause no place could be that scary
when it's got such cute plants

You see I know, that you have a nice soul
so I feel like it's my responsibility
to teach you how things work down here
HERE WE GO!

The underground is so much fun, 'cause love is never far
Just float and catch the bright friendliness pellets with your heart
F L O W E Y is with you till the end
'Cause golly I am Flowey and I'm your new best friend

Things you are afraid of
they won't bother you here
You're new so you must be confused
but all you'll find is cheer

Since we are so close now
I'll tell you what I know
your soul wants love
it's just like a flower
that needs water to grow

You see I know, that you have a nice soul
And because we're now besties
I feel like I should show you the ropes
HERE WE GO!

The underground is so much fun, 'cause love is never far
Just float and catch the bright frendliness pellets with your heart
F L O W E Y is with you till the end
'cause golly I am Flowey and I'm your new best friend

YOU IDIOT
IT'S KILL OR BE KILLED
I WILL NOT REST
TILL YOUR SOUL IS MINE
I WILL BE KING
NO, I'LL BE A GOD
NO ONE TO SAVE YOU
SO DIE
SO DIE

Oh gosh...
That was certainly unexpected
Still BFFs though right?
See you later!
