

# I'll Find Out

Tryhardninja

I will find out  
What's going on? [x4]  
What's in this house  
What's going on? [x4]

Do you have a neighbor? So strange  
That thought of them keeps you awake at night  
I'm fully convinced that I may be  
Livin' next to a home that isn't right  
And now my mind  
Is going on a roller coaster ride  
As I ask who what where when and how and why  
It's not neighborly to lie

I gotta know what you hiding in there  
Pryin' and spyin' while you're unaware yeah

I'm comin' in  
Which secrets you locked away  
Is what I intend to find out  
Why is your house so strange?  
Who lives in this kind of hide out  
Where does your basement lead?  
How about you explain that right now?  
I'll find out [x4]

Determined to sneak in I'll find  
The keys you hid to every single lock oh  
I won't be defeated this defeated this time  
The traps you laid won't keep me from your plot no  
It's a rabbit hole  
And now I just gotta know how deep it goes  
Feels like I'm chasing shadows in my soul  
I will crack the code

I gotta know what you're hiding in there  
Pryin' and spyin' while you're unaware yeah

I'm trying to keep you away  
But you keep creepin' just the same

Crash my home, stick your nose in, where are your manners?  
Asking questions but you might not like the answers  
There are things you don't understand  
And your trespassing's out of hand
