

Impostor God

Tryhardninja

Right now I'm the impostor god
Mask on, hidden in my facade
So sus, cutting down on the squad
Can't stop bodies keep falling, yeah
Cause I'm the impostor god

Hey listen, it's me again
With the clutches on deck here among you, so suspect
The crowd in my sight line, just me and my sharp knife
Being the bad guy, one slip and you might die
Hey listen, I'mma say this just one more time
I'm not the one to blame for this scene and crime
I know they said they saw me but you gotta believe
This reverse card I'm playing means it couldn't have been me

Down the hall, wait for you
No one here has a clue

Cause right now I'm the impostor god
Mask on, hidden in my facade
So sus cutting down on the squad
Can't stop bodies keep falling, yeah
Cause I'm the impostor
Right now I'm the impostor god
Trophies, don't hold the applause
Master every single mod
Can't stop bodies keep falling, yeah
Cause I'm the impostor god

I know where you hide and I seek
Sabotage your chance and I
Vent out quick so no one will see
It's killing, it's killing time
Cause I'm the impostor god and I gladly await
For you to arrive in nav, so your neck will rotate
I'm interrupting tasks, while you never escape
Friends will cry at your vital signs

Down the hall, wait for you
No one here has a clue

Right now I'm the impostor god
Mask on, hidden in my facade
So sus cutting down on the squad
Can't stop bodies keep falling, yeah
Cause I'm the impostor
Right now I'm the impostor god
Trophies, don't hold the applause
Master every single mod
Can't stop bodies keep falling, yeah
Cause I'm the impostor god

Ey-yeah-yeah
Ey-yeah
I'm all knowing and see all
Ey-yeah-yeah
Ey-yeah

Right on top where I belong

Right now I'm the impostor god
Mask on, hidden in my facade
So sus cutting down on the squad
Can't stop bodies keep falling, yeah
Cause I'm the impostor
Right now I'm the impostor god
Trophies, don't hold the
Master every single mod
Can't stop bodies keep falling, yeah
Cause I'm the impostor god
