

# Judgement

Tryhardninja

Welcomed you  
Underground with open arms you knew  
How fragile their souls were to your abuse  
I let you roam around care free  
They're not your enemies

All this time  
Determination served as your lone guide  
Mercy or genocide yours to decide  
But consequences they increase  
You will answer to me

I exist outside it  
Even if restarted  
Your actions won't erase  
Nothing safe from my eyes  
You might but numbers don't lie  
I can see your real face  
So tell me

Is there LOVE is there LOVE is there LOVE in your heart  
Or kindness in your eyes  
Execute execute execute if you want  
Retribution for your crimes  
Were you honest with yourself?  
'Cause I'll know  
When I take a look inside  
Is there LOVE is there LOVE is there LOVE in your heart  
Then judgement will be mine

Might be fun  
But your brutality can't be undone  
And you know you don't want to get dunked on  
So contemplate your cruelty  
Only killers play dirty

Spare their lives  
Consider twice before being unkind  
or you will end up having a bad time  
No puns to make because it's true  
The joke will be on you

I exist outside it  
Even if restarted  
Your actions won't erase  
Nothing safe from my eyes  
You might but numbers don't lie  
I can see your real face  
So tell me

Is there LOVE is there LOVE is there LOVE in your heart  
Or kindness in your eyes  
Execute execute execute if you want  
Retribution for your crimes  
Were you honest with yourself?  
'Cause I'll know  
When I take a look inside

Is there LOVE is there LOVE is there LOVE in your heart  
Then judgement will be mine

So I've got a question for ya  
Do you think even the worst person can change?  
That everyone can be a good person if they just try?
