

# Just A Normal Pizzeria

Tryhardninja

You know how when you own a Pizzeria  
And you're working to pay off your crippling debt?  
Counting coins alone, the piggy bank is out of loans  
Yeah, you're slinging all those slices for the rent  
And then the evil talking floating pie of pizza  
With an upside down mushroom for a nose  
Threatens to fire a laser down on your livelihood  
And leave your restaurant permanently closed

That moment when  
When an evil Pizza builds a Pizza Tower with a laser on top next door  
We all can relate  
'Cause you can't just close your business any time a Pizza wants so you go to war

And now it's Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!  
Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!  
And now it's Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!  
Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!

So naturally you charge in to the Tower  
Battling your way up to the top  
Pickles shrimp and hell, even cheese clones of yourself  
We've all been there and they can't make you stop  
You know how when you have to fight anchovies  
On just a normal Tuesday afternoon?  
Or those annoying cannon pizza goblins?  
Let me hear you sing it 'cause I know you do

That moment when  
When an evil Pizza builds a Pizza Tower with a laser on top next door  
We all can relate  
'Cause you can't just close your business any time a Pizza wants so you go to war

And now it's Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!  
Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!  
And now it's Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!  
Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!

Run you crazy guy ('cause there's no stopping)  
Be a clown or knight (take back the toppings)  
Mount your weenie ride (give them a chopping)  
Because tonight fate comes again for you once more

Well, there's another day done at the office  
Got a little crazy with a chicken on your head  
But nothing you couldn't handle, animatronics were dismantled  
'Cause you're the one that jumpscared them instead  
You know how when your last time is Spaghetti  
And the Tower now lies crumbling under you?  
So goodbye Pizza Face, and tomorrow's another day  
When you come back and make that pizza like you were born to do

And, yeah, it's Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!  
Go go, it's Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!  
Go go, it's Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!

And, yeah, it's Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time!

Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time! (it's Pizza Time!)

Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time! (you make that pizza)

Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time! (Peppino Spaghetti)

Pizza Time, Pizza Time, Pizza-Pizza-Pizza Time! (yeah)
