

Let's Have Some Fun

Tryhardninja

Counting down every hour until Christmas
Leave your bed you give in to your weakness
Have to find out what presents
They got you this year
Whoa-oh-oh-oh-oh

Make your way to the damp smelling basement
Big smile as you unwrap your new friends
But the happiness turns
Into bone chilling fear
Whoa-oh-oh-oh-oh

Jingle bells
Raise some hell
Mama's on her way
To put all the kids to bed
So it's time to play!

Calling for help
You're all alone
Trapped with a nightmare in your home
That you've awakened!
(CAGED IN A COLD ABYSS
WAITING FOR THE LAST DEVIL'S KISS)
Screaming red eyes
Pierce through the black
Took what was hers
She wants them back
You should have waited!
(BUT IT CAN'T BE UNDONE
SO NOW LET'S HAVE SOME FUN!)

Don't make noise if you
Don't want to meet her
Every second
Your light getting weaker
On the hunt stalks and plays funny games
with your heart
Whoa-oh-oh-oh-oh

Sharpened teeth
she will shred you to pieces
Who's the toy?
What kind of sick game is this?
You're losing to a monster
Playing in the dark!

Calling for help
You're all alone
Trapped with a nightmare in your home
That you've awakened
(CAGED IN A COLD ABYSS
WAITING FOR THE LAST DEVIL'S KISS)
Screaming red eyes
Pierce through the black
Took what was hers
She wants them back

You should have waited
(BUT IT CAN'T BE UNDONE
SO NOW LET'S HAVE SOME FUN!)

Today is the perfect holiday
FOR YOU TO LOSE YOUR LIFE!
The table's turned
You're the present now
And she can't wait to unwrap you
SLICE BY SLICE!

Calling for help
You're all alone
Trapped with a nightmare in your home
That you've awakened!
(CAGED IN A COLD ABYSS
WAITING FOR THE LAST DEVIL'S KISS)
Screaming red eyes
Pierce through the black
Took what was hers
She wants them back
You should have waited!
(BUT IT CAN'T BE UNDONE
SO NOW LET'S HAVE SOME FUN!)
