Haha!  
Back at it!

Cuz Minecraft's Back baby  
With the 'Creeper? Aw Man'  
Whether you're a Jacksepticeye  
Or a PewDiePie fan  
We're swinging side-to-side  
With a pickaxe  
Singing 'Oh oh oh oh'  
Minecraft's Back!

How long has it been, wow  
At least a few years now  
Minecraft wasn't trending so well, oh  
Survival playthroughs, roleplays  
All of the Minigames  
Disappearing, needing some help  
But now the fun we had with those little blocks  
Is creeping up again, it's back at the top, yeah

Cuz Minecraft's Back baby  
With the 'Creeper? Aw Man'  
Whether you're a Jacksepticeye  
Or a PewDiePie fan  
We're swinging side-to-side  
With a pickaxe  
Singing 'Oh oh oh oh'  
Minecraft's Back!

Youtube conquered again  
Like it's 2012  
Minecraft videos, they're all back!  
And advertiser certified  
Finally, PewDiePie gets to turn on all of his ads!  
Revenge a hit again, and leading the pack  
Now CaptainSparklez gets to keep  
His 10 million plaque!

Cuz Minecraft's Back baby  
With the 'Creeper? Aw Man'  
Whether you're a Jacksepticeye  
Or a PewDiePie fan  
We're swinging side-to-side  
With a pickaxe  
Singing 'Oh oh oh oh'  
Minecraft's Back!  
Oh oh oh  
Minecraft's Back!  
Oh oh oh  
Minecraft's Back!

It's Steve time!

Cuz Steve is back, baby!  
Cuz Minecraft's Back, baby!  
So Fortnite you can kiss my little blocky ass, baby!

Cuz we all know who's got the best battle royale, baby!  
I got my crown back, I'm not sorry 'bout that fact, Freddy!  
Cuz Minecraft's Back, baby!  
With the 'Creeper? Aw Man'  
Cuz I'm the one ad-friendly game  
The algorithm still stands!  
But you won't catch me complaining  
I'll be the best in the land  
A decade later still swinging  
With a pickaxe in hand singing

Oh oh oh oh  
Yeah!  
Oh oh oh oh  
I'm back!  
Oh oh oh oh  
Let me hear you  
Oh  
Sing!

Cuz Minecraft's Back baby  
With the 'Creeper? Aw Man'  
Whether you're a Jacksepticeye  
Or a PewDiePie fan  
We're swinging side-to-side  
With a pickaxe  
Singing 'Oh oh oh oh'  
Minecraft's Back!  
Oh oh oh!  
Minecraft's Back!  
Oh oh oh!  
Minecraft's Back!
