Tryhardninja

In a loop inside the screen
Your own prison in a dream
Try to run and try to scream
Even death can't save you we

Replay your nightmare
Replay play play your nightmare
Replay your nightmare
Replay play play your nightmare

Get in a cage
While we rattle it
While we rattle it
Our eternal revenge
We know what you did
We know what you did
It's me, it's me, it's me
We're all here just for you
Get in a cage
While we rattle it
While we rattle it
Forever!

Torture, torture, don't you know
How your seeds of evil grow?

Replay your nightmare
'Cause tables turn
Replay your nightmare
And it's your time to hurt

Get in a cage
While we rattle it
While we rattle it
Our eternal revenge
We know what you did
We know what you did
It's me, it's me, it's me
We're all here just for you
Get in a cage
While we rattle it
While we rattle it
Forever!

Over and over and over again
Replay your nightmare
Over and over and over again
Replay your nightmare

We are remnants of your sins
It's a game you'll never win
When it's done it just begins
Again and again and again and again
You will pay for what you did
Forever!
