

# See You In Hell

Tryhardninja

It's time to purify the crimson rock  
Add to the body count, embrace the rot  
To kill the switch and shut this planet down  
And make them wish that they stayed underground

You'll beg to be sent back  
epacse on si erehT

Entering my world now  
Touch down in a cave  
SEE YOU IN HELL  
SEE YOU IN HELL  
SEE YOU IN HELL  
Inferno I'm the one  
Who's fanning the flames  
SEE YOU IN HELL  
SEE YOU IN HELL  
SEE YOU IN HELL  
Shouldn't have left the Underworld cos around here  
I am the devil the red planet learnt to fear  
My hungry chainsaw isn't going to feed itself  
Hoping that you can get here soon  
SEE YOU IN HELL

Your doom, your fate  
Destruction, your demise  
Under control  
Subject of my demise  
With every tortured soul I'm mastering  
The means to elevate your suffering

You'll beg to be sent back  
epacse on si erehT

Entering my world now  
Touch down in a cave  
SEE YOU IN HELL  
SEE YOU IN HELL  
SEE YOU IN HELL  
Inferno I'm the one  
Who's fanning the flames  
SEE YOU IN HELL  
SEE YOU IN HELL

I'm-a rip the bodies apart when I grab a shotgun  
I'm-a keep on pumping and shooting till I got one  
I am a space marine, I'm in the space between  
A rock and a hard place, this planet is not fun  
I'm banishing demons, they screaming to get a taste  
But I'm too fast to grab, laying demons to waste  
And you should know by now I truly enjoy the sound of a loud  
BOOM  
Bring em in, I'll bleed em by the thousands  
This is my playground  
Enemies better lay down  
Killing them with a chainsaw  
They got nothing to say now

I'm leaving em dying in the hole where I found them  
Cos the level of my BFG is over 9000  
SEE YOU IN HELL  
Yeah  
BFG 9000  
Yeah  
See you in He'll
