

They Wait For You

Tryhardninja

In Poppy Playtime, Poppy Playtime

In the silence there is secret life waiting to get out
An abandoned land of innocence where the mystery mounts
You have come here hoping for a glimpse behind the cryptic shroud
It's Playtime now for all the toys, but where are all the girls and boys?
And everyone gather round and take a head count of the missing
Yeah, it's everyone, no employees left, just remnants of the killings
Now prepare to run cause the new hosts here are very unforgiving
It's Playtime now for all the toys, but where are all the girls and boys?

And everyone else?
And everyone else?
They never left
No one to help

It's Poppy Playtime, step right up, don't be shy, who wants a hug?
Tonight your grave is dug, they wait for you
In Poppy Playtime, get back up, it's not yet your time to die
Yeah, they need you alive, they wait for you

In darkness of the factory where the answers hide
Among lab rats and experiments gone horribly awry
It maybe colorful and friendly on the surface, but inside
It's Playtime now for all the toys, but where are all the girls and boys?

And everyone else?
And everyone else?

It's Poppy Playtime, step right up, don't be shy, who wants a hug?
Tonight your grave is dug, they wait for you
In Poppy Playtime, get back up, it's not yet your time to die
Yeah, they need you alive, they wait for you
In Poppy Playtime, eh yeah
In Poppy Playtime, oh, they wait for you
In Poppy Playtime, eh yeah
In Poppy Playtime, oh, they wait for you

You look like you could use a hug
You look like you could use a hug

In Poppy Playtime VHS tapes tell horror tales
In Poppy Playtime a Huggy Wuggy's on your trail
Trying to stay alive, finding the devils in the details
Will they prevail, oh?

It's Poppy Playtime, step right up, don't be shy, who wants a hug?
Tonight your grave is dug, they wait for you
In Poppy Playtime, get back up, it's not yet your time to die
Yeah, they need you alive, they wait for you
In Poppy Playtime, eh yeah
In Poppy Playtime, oh, they wait for you
In Poppy Playtime, eh yeah
In Poppy Playtime, oh, they wait for you
