

Tonight Tonight MW3

Tryhardninja

So I'm playing Modern Warfare 3
This new games a scorcher
Grand slam hitter
My buddies all roll as a team
In this lobby we are winners
And you're just a rage quitter

La La La
Whatever
La La La
Now you're spattered
La La La
Oh well
La La La

We're going at it tonight, tonight
There's a party on the Xbox give it a whirl
Tonight, tonight
We're stomping on noobs
And streaming it live

I'll use my 95 kit
And I'll make you rage quit
It's alright, alright, tonight, tonight

I walk up right behind you
You don't know that I'm here
While I shoot you in the rear
I can hear you raging into
My headset
I got this

La La La
Whatever
La La La
Now you're spattered
La La La
Oh well
La La La

We're going at it tonight, tonight
There's a party on the Xbox give it a whirl
Tonight, tonight
We're stomping on noobs
And streaming it live

I'll use my 95 kit
And I'll make you rage quit
It's alright, alright, tonight, tonight

You got me playing like
Woah oh oh, c'mon
Ohh oh oh, now you're splattered
Woah oh oh, everybody now
Ohh oh oh

Just don't stop, let's keep the streak going

Keep the kills up, put the noobs down
New COD is out and we're giving lessons
Join my lobby and see for yourself
Just don't stop, let's keep the streak going
Keep the kills up, put the noobs down
New COD is out and we're giving lessons
Join my lobby and see for yourself
It's you and me and we're wearing the crown and
It's him and him and they're backing out and
Ain't nobody going to tell us to go
Cause this is our show

Woah oh oh, your K/D dropped
Ohh oh oh, by a decimal
Woah oh oh, I see you crying now
Ohh oh oh

We're going at it tonight, tonight
There's a party on the Xbox give it a whirl
Tonight, tonight
We're stomping on noobs
And streaming it live

I'll use my 95 kit
And I'll make you rage quit
It's alright, alright, tonight, tonight
It's alright, alright, tonight, tonight

Just playing like
Woah oh oh, c'mon
Ohh oh oh, all you party people
Woah oh oh, all you simpletons
Ohh oh oh, better stay hidden

Just don't stop, let's keep the streak going
Keep the kills up, put the noobs down
New COD is out and we're giving lessons
Join my lobby and see for yourself
Just don't stop, let's keep the streak going
Keep the kills up, put the noobs down
