

# Wanna Be Twisted

Tryhardninja

Look me in the eyes  
And tell me honestly  
What kind of monster you see  
An angry ghost? A mask?  
The symptoms of my disease  
Is that all that you think of me?

But what about, what about broken, scarred, betrayed, alone?  
What about the real me that I want you to know?

I don't want, wanna be, wanna be twisted  
I don't want, wanna be, wanna be cold  
This world's forcing my hand  
Can you just understand?  
I don't want, wanna be, wanna be twisted  
But I am

The one you see today  
It's not like I had a choice  
When you life was dragged to the dark  
For years my heart in chains  
Like trying to scream without a voice  
No wonder my mind came apart

But what about, what about broken, scarred, betrayed, alone?  
What about the real me that I want you to know?

I don't want, wanna be, wanna be twisted  
I don't want, wanna be, wanna be cold  
This world's forcing my hand  
Can you just understand?  
I don't want, wanna be, wanna be twisted  
But I am

Oh oh oh oh, oh oh oh oh, ohhh  
Can you understand?  
Oh oh oh oh, oh oh oh oh, ohhh  
I don't wanna be  
But I am

I don't want, wanna be, wanna be twisted  
I don't want, wanna be, wanna be cold  
This world's forcing my hand  
Can you just understand?  
I don't want, wanna be, wanna be twisted

I don't want, wanna be, wanna be twisted  
I don't want, wanna be, wanna be cold  
This world's forcing my hand  
Can you just understand?  
I don't want, wanna be, wanna be twisted  
But I am
