

# We're Not Coming Back

Tryhardninja

Tell our families and everyone we know, yeah  
We're not coming back, we're not coming back, oh  
Count them one by one, every single soul here  
We're not coming back, we're not coming back (Back)

Hello, hello, hello, hello, can you hear me call for help?  
Hello, hello, hello, hello, I am really not myself  
Today or another day I can recall or any other day before the fall  
Since the purple haze consumed it all, all

And there's others here like me  
Lost and lonely, unheard screams

Tell our families and everyone we know, yeah  
We're not coming back, we're not coming back, oh  
Count them one by one, every single soul here  
We're not coming back, we're not coming back home  
Oh, whoa, everything we had, oh, whoa, never meant to last  
Oh, whoa, we're not coming back  
We're not coming back, we're not coming back, no

Goodbye, goodbye, goodbye, goodbye, into darkness I descend  
Goodbye, goodbye, goodbye, goodbye, where ghosts are my only friends  
And we roam these barren halls where we will stay  
Locked behind our masks for all our days  
Never to return, forget our names, names!

Tell our families and everyone we know, yeah  
We're not coming back, we're not coming back, oh  
Count them one by one, every single soul here  
We're not coming back, we're not coming back home  
Oh, whoa, everything we had, oh, whoa, never meant to last  
Oh, whoa, we're not coming back  
We're not coming back, we're not coming back, no

We're not, we're not, we're not coming back  
We're not, we're not, we're not coming back  
We're not, we're not, we're not coming back  
We're not, we're not, we're not coming back

And there's others here like me  
Lost and lonely, unheard screams

Tell our families and everyone we know, yeah  
We're not coming back, we're not coming back, oh  
Count them one by one, every single soul here  
We're not coming back, we're not coming back home  
Oh, whoa, everything we had, oh, whoa, never meant to last  
Oh, whoa, we're not coming back  
We're not coming back, we're not coming back, no

We're not coming back, we're not coming back  
We're not coming back, we're not coming back  
We're, we're, we're not, we're not coming back  
We're not coming back, we're not coming back, no
