

# You Can Find It

Tryhardninja

There is something calling you  
Everything has changed  
Running down a dangerous path  
You begin the chase

It feels like you'll see  
The building blocks of dreams

You can find it  
But it won't be mined like a diamond in a cave  
You can find it  
Even if there's no treasure map to lead the way  
There's a guide in your heart  
And no matter how far  
Or how long the journey takes  
You can find it  
Your destiny awaits  
Today  
You can find it  
Your destiny awaits  
Today

Sometimes all your dreams might look  
Too far out of reach  
But one in a million shot  
Is all you need

It's there if you choose  
To look inside you

You can find it  
But it won't be mined like a diamond in a cave  
You can find it  
Even if there's no treasure map to lead the way  
There's a guide in your heart  
And no matter how far  
Or how long the journey takes  
You can find it  
Your destiny awaits  
Today  
You can find it  
Your destiny awaits  
Today

There's a guide in your heart  
And no matter how far  
Or how long the journey takes  
You can find it  
Your destiny awaits  
Today
