

Damn, I Hate It

TSS

I'm wandering and I got no plans
And I don't expect you to understand
Don't mind me if I'm not calling for help, for help, for help

And everybody thinks I'm a fool
And everyone they say: "you're so numb"

I'm wasting my night
I'm driving too fast
I'm wasting my chance
I don't even try

Long silence over useless debates
And I don't wanna know what's your getting up to
You're saying more than you think
You mean nothing, nothing, nothing

And damn, I hate it
When they all get to know me better, I hate it
When it feels like they know me
And damn I hate it
When they all get to know me better
I hate it

I'm wasting my night
I'm driving too fast
I'm wasting my chance
I don't even try

(I'm wasting my night)
(I'm driving too fast)
(I'm wasting my chance)
(I don't even care)

Goddamn I hate it
When they all get to know me better
I hate it, when it feels like they're
Better

I'm wasting my night
I'm driving too fast
I'm wasting my chance
I don't even drive, by

Goddamn I hate it
When they all get to know me better
I hate it when it feels like they know me

I'm wasting my time
I don't even drive
