

## Notes In The Dark

TSS

All I do is play notes in the dark  
It gives me all I need to tell you how I've died

Can we stop this?  
I'm tired of chasing the sun my love  
Can we call it quit?  
I just feel like there's something more than this

Take back everything you said  
My heart is about to break  
I'm so afraid, full of regrets

All I do is play notes in the dark  
As if a single song could save me  
All I do is play notes in the dark  
It gives me all I need to tell you  
How I've died inside, hit the ground  
Let me tell you how I've died, inside

J' imagine un monde sans lumière sans éclat  
Bercé par le vent, par les mots que tu dis pas  
Save me, I wanna be someone else  
J' imagine des fenêtres où tes yeux ne veillent plus  
Le silence me parle mais tes mots se sont tus  
Tell me, that you don't need someone else

(Save me)

All I do is play notes in the dark  
As if a single song could save me  
All I do is play notes in the dark  
It gives me all I need to tell you  
How I've died inside, hit the ground  
Let me tell you how I've died, inside

Save me, I wanna be someone else
