

So long my friend

TSS

So long my friend
You couldn't make it to the end
I stayed the same in the city that you hate
So long my love
Now I'm waiting for the dawn
That never comes

Do you remember when you said it's over
Told me to turn away so I can't see
The shame in your eyes
The truth in the lies
It's honestly the worst day of my life

I won't try to get you
Out of my mind
And I won't try to bury you
In the past

I was wrong to think that
I was strong, strong enough

Do you remember when you said it's over
Told me to turn away so I can't see
The shame in your eyes
The truth in the lies
It's honestly the worst day of my life

I won't try to get you
Out of my mind
And I won't try to bury you
In the past
