

(I fell in love with the girl you didn't like)  
(The one I told you not to worry about)  
(I got your parents calling me all night)

C'est tous les soirs les mêmes histoires, j ferme les yeux pour m'enfuir  
Toutes les nuits on s'aime un peu moins, y'a que quand j'dors que j'respire  
Lève la tête, regarde moi, j'ai quelque chose à te dire  
(Te dire, te dire, te dire, te dire)  
Tu sais je l'regretterai peut-être, mais j'en ai marre de mentir  
(Mentir, mentir, mentir, mentir)

Ouh-ouh-ouh, me regarde pas comme ça (pas comme ça)  
Ouh-ouh-ouh, dans mon cœur il fait froid (il fait froid)

I fell in love with the girl you didn't like (didn't like)  
The one I told you not to worry about (about)  
I got your parents calling me all night  
(Got nothing to say to them I was gone anyway)  
I'm not sorry that it went so fast (so fast)  
I'll only ever be young just for once (for once)  
I fell in lust with the girl you didn't like  
(Got nothing to say to you it was never okay)

J'ai plus l'temps d'perdre mon temps pour toi, t'fais du surplace c'est pas l'plan  
J'ai b'soin d'quelqu'un qu'a pas b'soin d'moi, j'suis pas l'sugar daddy qu't  
'attends  
Lève la tête, regarde moi, j'sais qu'c'est dur c'que t'entends  
(T'entends, t'entends, t'entends, t'entends)  
Ça m'reste sur l'cœur depuis des mois maintenant ça fait trop longtemps  
(Longtemps, longtemps, longtemps, longtemps)

Ouh-ouh-ouh, me regarde pas comme ça (pas comme ça)  
Ouh-ouh-ouh, dans mon cœur il fait froid (il fait froid)

I fell in lust with the girl you didn't like  
(Got nothing to say to you it was never okay)

I will try, not to tell anyone, not to tell anyone  
I will try, not to tell anyone, not to tell anyone

(We won't talk it out)  
(No more wasting time)  
(I don't feel so proud)  
(Got nothing to say to them I was gone...)
