Get it crackin'
Get it crackin'
Get it crackin' (Let me see a lighter)
Get it crackin'
Get it crackin'

They be actin' like it can't happen
Shit'll Happen
Heard a nigga caught a couple bodies & he ratted
Hellcat screaming round the corner, automatic
I can't tell the time, it's a bust down patek
Spinning in some shit til' it spin and we trash it
Hanging out the window shooting something automatic
I don't call her back, her pussy whack, a nigga had it
Disrespect the gang, he gotta go that's automatic

Forty shooting plastic
Catch a nigga off of instagram we let him have it
And there ain't no coming where we at cause there ain't no pass
es
Fly her out from Texas, think her baby dad a Maverick
Tell that bitch to talk nice
Tell the plug we gon' take it all that's if the cost right
One day I do rubber bands, another day it's frost bite
Tape around the block, a off night could look like off white
Tape around the block, a off night could look like off white
Pull up in the brinks, gang in the kitchen chicken done by the
sink
Little brody took 9 shots he a beast
I ain't talking liquor, little nigga can't drink
Switch it automatic
All I did was tell her bring a friend, she brought a savage
Heard them nigga's ran, but we chase em' out of habit
Heard he had it with him, it ain't matter, he ain't grab it
Heard he had it with him, it ain't matter, he ain't grab it
