

Last Weekend

Tsu Surf

Mandatory we keep it on us, we riding dirty
Them rentals dirty, been looking for 'em since 9:30
Banging something, we hang 'em up, we retire jerseys
On a mission, you can't get in, you ain't slide worthy
Heard he like pussy, had the homegirls line 'em
Packed up in Fendi without conscious
Politics with neighborhood monsters
Bad Spanish bitch, she hate condoms
Slide bout, all these nigga with me down to die about it
He ain't with the gang, that nigga lied about it
Tears tat his face and he ain't cry about
We gone get the fulllys, go and ride about it
We gone get the fulllys, go and ride about it
Retaliate before the blood dry, I seen thugs cry
Went and made a movie when the Cuz died
Retaliate before the blood dry, I seen thugs cry
Went and made a movie when the Cuz died

Them niggas playing peek-a-boo
Catch 'em when we seem 'em
The homies on offense, niggas playing defense
Cuz cut his dreads, caught a body last weekend
Cuz cut his dreads, caught a body last weekend
Them niggas playing peek-a-boo
Catch 'em when we seem 'em
The homies on offense, niggas playing defense
Cuz cut his dreads, caught a body last weekend
Cuz cut his dreads, caught a body last weekend
Them niggas playing peek-a-boo

Yeah, you accountable for that ratchet
You don't run, I'ma hold you accountable for your actions
In a gang-related fashion, graduated the status
Still the same fella 'fore I had it, dreadsmatic
Pray for him, his life in the hands of the paramedics
Lifestyle treacherous, we just making the best of it
This is only half of what you owe me, where the rest of it
Money come with chasing the dream, that's in-evident
I'm on this throwback key, high-speed specialist
He was facing fourteen, I was facing seven

Them niggas playing peek-a-boo
Catch 'em when we seem 'em
The homies on offense, niggas playing defense
Cuz cut his dreads, caught a body last weekend
Cuz cut his dreads, caught a body last weekend
Them niggas playing peek-a-boo
Catch 'em when we seem 'em
The homies on offense, niggas playing defense
Cuz cut his dreads, caught a body last weekend
