You screamin' out that gang but would you kill for it?
You tell 'em that you love 'em, you gon' die for 'em?
It's rules and regulations, gotta slide for 'em
It's rules and regulations, gotta slide for 'em
You screamin' out that gang but would you kill for it?
You tell 'em that you love 'em, you gon' die for 'em?
It's rules and regulations, gotta slide for 'em
It's rules and regulations, gotta slide for 'em

Rules and regulations, don't abuse your medication
Rules and regulations, mute through interrogation
It's more than entertainment, committed to this bangin'
They lock us in the cages where the toilet seats is stainless
I'm a gangsta, that won't break me, only promise that I kept
Niggas know that I'm a threat, we smother suckas no regrets

I got all these bands on me, fuck you think I got it from?
She wanted a date today buzzin', would buy her rum [?]
Fully-auto wilder gun, I don't wanna talk or none
Why you keep on callin' for him? Streets know I got me one

You screamin' out that gang but would you kill for it?
You tell 'em that you love 'em, you gon' die for 'em?
It's rules and regulations, gotta slide for 'em
It's rules and regulations, gotta slide for 'em
You screamin' out that gang but would you kill for it?
You tell 'em that you love 'em, you gon' die for 'em?
It's rules and regulations, gotta slide for 'em
It's rules and regulations, gotta slide for 'em

It's rules and regulations, you could die buy them
The politics probably got him
The feds watchin', Houston we got a problem
That chopper go bada bada
That's word to my father's father
Be careful when buyin' products, transactions with guala gualas
The trenches with monkeys, gorillas, wild vultures
Soul lifts, skies open
He ain't have his gang with 'em, died with his eyes open
I'm committin' sins, don't think God with us
Only trust the squad members
You ain't never slid you can't slide with us
Really run with hammers in them scammers
One of them want a chase account
One of them gon' chase you down
Daddy barely came around
I know how that chamber sound
Quiet when they came around
Was quiet when they came around

You screamin' out that gang but would you kill for it?
You tell 'em that you love 'em, you gon' die for 'em?
It's rules and regulations, gotta slide for 'em
It's rules and regulations, gotta slide for 'em
You screamin' out that gang but would you kill for it?
You tell 'em that you love 'em, you gon' die for 'em?
It's rules and regulations, gotta slide for 'em
