

# Unbothered Freestyle

Tsu Surf

Humbeats

I really be feelin' unbothered  
That's where I go crazy at

Heard he get to lurkin' if you push him  
We been cookie cushion, innocence get token  
Hoodie low, just pray they never overlook him  
All my shooters good at shootin', word to Brooklyn  
Only loyal when you lookin'  
[?] the lord, they gave him 30 turned to muslim  
Where it happen at?  
Smack in the middle we're ain't no battlerap  
We really would've pulled up in they habitat  
Huntin' night, feel your stomach tight  
When it ain't somethin' right, a summer night  
If they ain't got no mask man, they want your life  
Hearin' shit, me vs bear I think that bear a bitch  
Rule one, stamp the shit  
He gotta stay here if he ain't airin' shit  
Still get a badge, every team role serious  
Vanguard he watch the whip with no warzone experience  
It's cold out he was tryna chill ain't have his pole out  
Thankful for that self revive cause he ain't have his loadout  
If they ever catch us is you kiddin'? Take the grown route  
We gon' mix patience with paid lawyers and closed mouths  
Adios, you know opps opps who it'll be plottin' close  
He don't fuck with niggas it was family if they shot him close  
Whole plug makin' sure this day I'm eatin' [?]  
Practicin' my spanish, I learned de nada and vamonos  
Lotta work, met a baddie bottom coat droppin' work  
She cook empanadas and she chop the coke  
All that ass can't tell she poppin' percs, watch her squirt  
Dress up if they condos gross  
Boyfriend halfway out the halfway house that mean I gotta go  
They win a thousand out the box, 1800 for the chopps  
Business good, 3 30's on the Glock  
Doorman downstairs from the spot  
Only let in bitches, gang and no cops  
If it's war we ain't warnin' shit  
You wasn't or you born for this  
Screamin' street sign and get that corner hit  
Broad daylight gory shit  
Whip 223's, Michael Jordan shit  
Vito cause that bitch jumpin' out first, she look glorious  
Clowns, any verb that's what violence we was down  
Right person, place and thing I do it now  
Neighbourhood bastard [?] tell the cab drive faster  
We be head on lookin' for disasters  
Tell them niggas act right  
For the bando to keep the trap right  
Feds get this phone, next question gon' be 'who Smack White?'  
All them transactions Smack White naw naw not that white  
Hard metalchairs and handcuffs now have your back tight, suckers  
I think I could get 40 at the Rucker  
Let his bitch with my cuban, while I fuck her  
Don't be trustin' bitches that's just me quotin' my mother  
My sue ain't been young since Soo-Yung met Chris Tucker

Niggas think we cool, I forgot to say we not  
Don't answer bill collectors and ex's or calls blocked  
Make sure you take a mask, you gon' sit up in the spot  
He sittin' while it's hot, the rawsteen from the top  
The trenches dangerous, OG's said you judge 'em by his watch or who he came  
in with  
Loyalty like glass, once you break it you can't save the shit  
That's why I'm aidin', 24 Kobe on his Laker shit  
Only rare breed I entertain she panamian  
'Preciate the smaller cheers  
Got a couple friends kinda crazy they ain't call in years  
Eurostep depression, you can fall in there  
Double what you make, you gotta call it fair  
I don't really hustle when I do I put my all in there  
Heavy crown, heavy heart  
Took my uncle xan's to the school so every fuckin' bar  
Miss me on your ass on your ass every fuckin' car  
Niggas 0 for each and every staple, I count every scar  
GANG
