

Uberwagon

Tub Ring

Four by four
British racing green
Dual exhaust
Wood side paneling

The day was long
And the feet were dragging now
We're riding the uberwagon

Dad is proud
And the kids are bragging 'cause
They're riding in the uberwagon

[?] dreams of a minivan will fade
Corporate suits justifiably afraid
Debates will ask if the perfect car was made

Sixteen valve
Projection beam headlights
Full power
Tiny retail price

The day was long
And the feet were dragging now
We're riding the uberwagon

Dad is proud
And the kids are bragging 'cause
They're riding in the uberwagon

A market crash and the industry's to blame
Competitors try to disavow the claim
The uberwagon will then achieve its fame

Read through future tense now I see

The day was long
And the feet were dragging now
We're riding the uberwagon

Dad is proud
And the kids are bragging 'cause
They're riding in the uberwagon
