

Tell It To The New Me

Tucker Beathard

I didn't hear you when you told me that you loved me
I wasn't listening when you told me you needed a guy
Who would die for you girl
I was all about my world
I was runnin' too fast for the sound coming out of your heart

I can't believe I can't recall your favorite color
Or what it is that makes you bitch about your mother
Yeah, if I could do it over
I'd be a better shoulder
Yeah, you got my attention now...

Just tell it to the new me
Tell it to the man I am now
Come back around and see it's almost like you never really knew
me
Even if all you got is "Go to hell"
Just tell it to the new me

Come back and tell the brand new man I am goodbye
Try to tell me my give a damn still don't this time
Tell me I'm to blame
Baby cuss my name
Say I won't ever change

Just tell it to the new me
Tell it to the man I am now
Come back around and see it's almost like you never really knew
me
Even if all you got is "Go to hell"
Just tell it to the new me

Tell me I'm to blame
Baby cuss my name
Say I won't ever change

Just tell it to the new me
Tell it to the man I am now
Come back around and see it's almost like you never really knew
me
Even if all you got is "Go to hell"

Just tell it to the new me
Tell it to the man I am now
Come back around and see it's almost like you never really knew
me
