

So Many Seasons

Tuff

Seasons changing leaves like rain, are falling down.
Last week just passed me by you never
Came to town, whoa-oh

Mom said it was strange now I don't know what to do, yeah.
Sitting in the wind I'm all alone waiting for you

It's been so many seasons.
You can't go without reason.

Dad left me and now you're leaving,
It can't be true. So many years so little time
Was spent with you, whoa-oh

Mom said you'd be proud now I wish we could make that true.
Singing this song I'm praying real hard maybe I'll get through

It's been so many seasons.
You can't go without reason, whoa-whoa-yeah
It's been so many seasons, seasons, seasons,
Seasons, changing all around you.

Mom said it was strange now I don't know what to do, yeah.
Singing this song I'm praying real hard maybe I'll get through

It's been so many seasons, it's been so many seasons.
You can't go with reason, whoa-whoa-yeah
It's been so many seasons, whoa-whoa-yeah
You can't go with reason.
