Outta control, whoa
She get it wet like a boat, whoa
Shorty on go, go
I keep a pound of that smoke, yo
Everything slow-mo
I'm kicking this shit like a dojo
Mmh, I got the mojo
Pose for the camera, photo

Click, click
I need a mop for that drip, drip
Swagger be looking like Slick Rick
I see you look alike
Dog I'm the better type
Drummer be cooking like
Grits, grits
Gold in my mouth look like [?]
Look at the way [?]

Hop in the whip, I'm 'bout to go dumb
With a lotta girls 'cause that shit more fun
Shorty gon' party with somebody's son
Red cup filled with Jamaican rum
Tujamo, he bring the motion
All of this shit, it took devotion
I ain't got time 'fore I had to ghost 'em
Drummer dog, why you gotta stay boasting?

Outta control, whoa
She get it wet like a boat, whoa
Shorty on go, go
I keep a pound of that smoke, yo
