

Higher

Tujamo

I'm gonna take you higher and higher
Light me up with your lighter tonight, uh-huh
I'm gonna take you higher and higher
Light me up with your lighter tonight, uh-huh

Pull me in, let me out
Taste me on the tip of your tongue
Say the word, I'll take you high
Make you feel like the fourth of July

I'm gonna take you higher and higher
Light me up with your lighter tonight, uh-huh
I'm gonna take you higher and higher
Light me up with your lighter tonight, uh-huh
I'm gonna take you higher and higher
Light me up with your lighter tonight, uh-huh
I'm gonna take you higher and higher
Light me up with your lighter tonight, uh-huh

Don't stop pulling me in all day
Yes I'm a-high and I'ma only be taking you higher
Don't stop pulling me in all days
Yes I'm a-high and I'ma only be taking you higher
Don't stop pulling me in all day
Yes I'm a-high and I'ma only be taking you higher
Don't stop pulling me in all day

Pull me in, let me out
Taste me on the tip of your love

I'm gonna take you higher and higher
Light me up with your lighter tonight, uh-huh
I'm gonna take you higher and higher
Light me up with your lighter tonight, uh-huh
I'm gonna take you
I'm gonna take you

Pull me in, let me out
Taste me on the tip of your tongue
Say the word, I'll take you high
Make you feel like the fourth of July

I'm gonna take you higher and higher
Light me up with your lighter tonight, uh-huh
I'm gonna take you higher and higher
Light me up with your lighter tonight, uh-huh
I'm gonna take you
I'm gonna take you
