

# I Don't Wanna Go

Tujamo

Got this feeling  
Hearts are beating  
On the ceiling  
Can't get enough  
Got no reason  
We ain't leaving  
It's the season  
To get caught up in the rush

Know you wanna stay  
See it in your face  
Know you love this place  
Know you feel the same  
Take my hand and run  
Get lost in the sun  
We could be anyone  
Anyone

I don't wanna go  
I don't wanna go, baby  
We ain't going home  
We ain't going home lately  
We've been in the zone  
We've been in the zone  
Yeah, I don't wanna go  
Don't wanna go

No, I don't wanna

Lost in motion  
My devotion  
Our emotions  
Can't get enough  
Got no reason  
We ain't leaving  
It's the season  
To get caught up in the rush

Know you wanna stay  
See it in your face  
Know you love this place  
Know you feel the same  
Take my hand and run  
Get lost in the sun  
We could be anyone  
Anyone

I don't wanna go  
I don't wanna go, baby  
We ain't going home  
We ain't going home lately  
We've been in the zone  
We've been in the zone  
Yeah, I don't wanna go  
Don't wanna go

No, I don't wanna

I don't wanna go  
I don't wanna go, baby  
We ain't going home  
We ain't going home lately  
We've been in the zone  
We've been in the zone  
Yeah, I don't wanna go  
Don't wanna go

We've been in the zone  
We've been in the zone, baby  
We ain't going home  
We ain't going home lately
