

I fucking love dance music
The way that people dance to it
It makes you come up, makes me get down
I fucking love dance music

I fucking love dance music
The way that people dance to it
When the beat drops, screaming out loud
I fucking love dance music

I fucking love dance music
The way that people dance to it
It makes you come up, makes me get down
I fucking love dance music

I fucking love dance music
The way that people dance to it
When the beat drops, screaming out loud
I fucking love dance music

Dance music, dance music, dance music, dance music
Dance music, dance music, dance music, dance music
Dance music, dance music, dance music, dance music
Dance music, dance music, dance music

Yeah, let's skip to the good beat

I like that

I fucking love dance music
The way that people dance to it
It makes you come up, makes me get down
I fucking love dance music

I fucking love dance music
The way the people dance to it
When the beat drops, screaming out loud
I fucking love dance music (I like that)

Wow, you know that feelin' when
You're in the crowd and the music's loud
And it's like nothing else matters, you know?
And you feel it in your head, you feel it in your chest
I'm like, "Yes, this is the best"
How do I make this last forever?

I fucking love dance music, dance music, dance music, dance music
Dance music, dance music, dance music, dance music
Dance music, dance music, dance music, dance music
Dance music, dance music, dance music, dance music

Yeah, let's skip to the good beat

I fucking love dance music
The way that people dance to it
It makes you come up, makes me get down
I fucking love dance music, I fucking love-

I fucking love dance music
The way that people dance to it
It makes you come up, makes me get down
I fucking love dance music, I fucking love-

I fucking love dance music
The way that people dance to it
It makes you come up, makes me get down
I fucking love dance music
