

# Keep Pushin'

Tujamo

Keep pushing on, things are gonna get better  
It won't take long, keep on moving to the top  
Keep on move it, move it  
Gotta keep on move it to the top  
Keep on pushing, pushing

Beat jump up and beat jump in  
Keep on pushing and you'll win  
Beat jump up and beat jump in  
Keep on pushing  
Watch out we have a killer song rewind though

Yeah...  
You'll gonna win, gonna win  
Yeah...  
Watch out we have a killer song rewind though

Beat jump up and beat jump in  
Keep on pushing and you'll win  
Beat jump up and beat jump in  
Keep on pushing and you'll win

Keep pushing on, things are gonna get better  
It won't take long, keep on pushing to the top
