

Mi Amor

Tujamo

You saw we aligned
I can never switch sides
You and I has got as far
Do you know by sides, I been jamming I
I can really make your night
Tell me baby, what's your vibe?
You deserve a good time
You deserve head up between your touch

Mi amor
We can get freaky and go have some fun at mine
Mi amor
All of your girls slide
Mi amor
We can get lit, yeah, I pour up your favorite wine
Tell me girl if you want more, if you want more
You could get more of my time

Mi-i a-amor, uh, mi-i a-amor
Mi-i a-amor, uh, mi-i a-amor
Mi-i a-amor, uh, mi-i a-amor
Tell me girl if you want more, if you want more
You got more of my time

Mi-i a-amor, uh mi-i a-amor
Mi-i a-amor, uh, mi-i a-amor
Mi-i a-amor, uh, mi-i a-amor
Tell me girl if you want more, if you want more
You got more of my time

Me, I'm always getting lit
The liquor messing with my brain
Your shout energy involved me, you know I'm different
We are not the same
The things that I can tell you straight
Be my queen, I'll be your king
I let you if you want to ride
And if you wanna come and sit down on my face

Pull up to the stu', pull up to my place
Come and play the flute or plenty other games
Girls never lose, 'cause there's lot of games
Life is good so shawty why she 'be complain
Girl you be my rock, talk about the talk
Never saw a shawty with her body shape
Consider me biggish, I lay to wound
Serve my money when I make it rain

Mi amor
We can get freaky and go have some fun at mine
Mi amor
I wanna, you got to slide
Mi amor
We can get lit, yeah, I pour up your favorite wine
Tell me girl if you want more, if you want more
You could get more of my time

Mi-i a-amor, uh, mi-i a-amor
Mi-i a-amor, uh, mi-i a-amor
Mi-i a-amor, uh, mi-i a-amor
Tell me girl if you want more, if you want more
You got more of my time

Mi-i a-amor, uh mi-i a-amor
Mi-i a-amor, uh, mi-i a-amor
Mi-i a-amor, uh, mi-i a-amor
Tell me girl if you want more, if you want more
You got more of my time
