Backbone, throw me something to stand for
Blood boils, somethin', somethin' you pray for
You live one time, don't you ever forget to
Give it all back to the hood that sustained you
Backbone, throw me something to stand for
Blood boils, somethin', somethin' you pray for
You live one time, don't you ever forget to
Give it all back to the mind that sustained you

Hit me up, what's good? Take a deep breath
I'm the new heir, aire fresco
It ain't always for the 'Gram, da correcto
Siempre con familia llamando y percibiendo
Alto viento

We stay flying high
We stay flying high

Backbone, throw me something to stand for
Blood boils, somethin', somethin' you pray for
You live one time, don't you ever forget to
Give it all back to the hood that sustained you
Backbone, throw me something to stand for
Blood boils, somethin', somethin' you pray for
You live one time, don't you ever forget to
Give it all back to the mind that sustained you
