

The Roadside

Tunng

Where are you going to?
Can I go with you?
No, you have to stand guard
Stand where I can see you

It's getting so, so cold
What are you going to do?
You should stop worrying
When they waded naked into the water

Take me, baby
Take me, baby
Take me, baby
Take me, baby

Take me, baby
Take me, baby
Take me, baby
Take me, baby

It's getting so, so cold
What are you going to do?
You should stop worrying
When they waded naked into the water

He turned on the side and lay listening
Raising his head, taking a gun in his hands
Blazing down at the girl on his right
Frozen with fear, he hears a sound on the roadside
Frozen with fear, he hears a sound on the roadside

Take me, baby
Take me, baby
Take me, baby
Take me, baby

Take me, baby
He hears a sound on the roadside)
Take me, baby
He hears a sound on the roadside)

Take me, baby
He hears a sound on the roadside)
Take me, baby
He hears a sound on the roadside)

Take me, baby
He hears a sound on the roadside)
Take me, baby
He hears a sound on the roadside)

Take me, baby
He hears a sound on the roadside)
Take me, baby
He hears a sound on the roadside)

Woke up and the rain had stopped

And the fires burnt out
You should stop worrying
