Kiss or Kill

Tura Satana

kill...
little boy says his prayers dreams turn into nightmares now, i know your scared i don't care truth or dare
when you gonna break? how much more you gonna take? when the love has gone away all i feel for you is hate!
how does it feel to want? how does it feel to need? how does it feel to bleed? get up off your knees
now you can hide but you can't run from it the pain you don't mind and now you lust it trust it? no i don't
never will... kiss or kill when you gonna leave? tell the truth and not decieve? when the love has gone away
all i feel for you is hate
how does it feel to want? how does it feel to need how does it feel to bleed get up off your knees, tell me
how does it feel to want how does it feel to need how does it feel to bleed i'll bleed for you, you bleed for
me
guilt deception in my refletion keep your gun for your protection never thought i'd do it but i did somethings
got to give live your life a lie i'll make you cry and wonder why i'll break you down and take your soul then
leave you left with nothing left to hold
how does it feel to love? how does it feel to hate? how does it feel to take cuz you took everything i gave
away how does it feel to want how does it feel to need how does it feel to bleed i'll bleed for you, you bleed
for me for me for me
get up off your knees!
kill!
you will never see me on my knees
