

Hush Earthling

Turbonegro

Hush earthling
You're not worthy
Hush earthling
You reek of turdy
Hush earthling
You flip me the birdy
Hush earthling
Now you're gonna hurty

Hush earthling
Hush

Hush earthling
I've come a long way
Hush earthling
To make you my prey
Hush earthling
I've come to stay
Hush earthling
You taste like you're gay

Hush earthling
Hush earthling
Hush earthling
Hush

Hush earthling
Do you want to die?
Hush earthling
Then look me in the eye
Hush earthling
I come from the planet Szürdelifoy
Hush earthling
Ah you're such a girlie boy

Hush earthling
Hush earthling
Hush earthling
Hush
