

Manimal

Turbonegro

You were an ugly [?]
[?]
So what?
What's the point [?]

Doesn't matter to me
I don't care what you say
[?] is still for me
So what you want?
You still just bleed

I better hit the town
Find another, another piece of trade
Didn't matter to me
Why should it matter to you?
You think I'm hurtin'?

Seeing you, touching you
Turn you on, upside down
Hating you, burning you
You know I'm gonna make it
f*ck you up, sit you down

f*ck you up, tear you up
Burn you up, turn you on
Burn you up, upside down
Inside out, outside in
[?] supernatural
f*ck you, I'm the Manimal

Manimal

So this could be about you

Doesn't matter to me
Before I blow it
I gotta meet you

I don't care what you say, don't care what you do
Curse on me, so what you want?
What I'll do? What you say
Let's go for a walk

You're still here
Because you know
You better hurt me now
'Til you find out
Matters to you, didn't matter to me
Cause now you're [?]

Seeing you, touching you
Turn you on, upside down
Burn you up, inside out
Hating you, torching you

f*ck you up, chase you down
Tear you up, grab you on

Turn you on, burn you up
f*ck you up, real bad
[?] supernatural
f*ck you, I'm the Manimal
