A strainless leash - Das Volk enticed-

The boiling frog that did not leap,  
just take one grain, it's still a heap.

Of sound and disposing mind, memory and understanding,  
I hereby publish and declare this to be my testament.

To my eldest son I leave the right to speak his mind;  
And my daughter shall be free from oppression of any kind.

I have sacrificed, worked all my life, as have the ones before me,  
so do not squander, do not gamble; watch it carefully.

The tide is turning,  
The Reichstag burning,  
They're at the border,  
Need law and order.

It was not my shout,  
I did not speak out,  
when they come for me,  
who will be left to speak for me?

Stay alert and keep your eyes skinned,  
watch the clouds form and feel the wind,  
when you're asking should you reef,  
the time to do so is long gone,  
Principiis obsta, don't forget:

The longer you wait, the harder it gets.
