Girl I can in spoil you  
What I can do to no other guy can do it to you  
Show that you straight, I mean what I say  
I wanna buy you everythang  
Girl I can in spoil you  
What I can do to no other guy can do it to you  
Show that you straight, I mean what I say  
I wanna buy you everythang

You want an h be the spoil, I suggest you keep it loyal  
Don't worry bout what your friends say, wanna be in your place  
Brand new panamera, different bag everyday  
Everything you wear vyke, diva like lisa ray  
Yeah baby you the real mccooy, keep 10 times a hunned,  
10 coupon yours  
I promise I won't miss a beat, fly you wherever overseas  
What they dream to be, no more day dreaming  
You can have whatever you like, louie, fendi, prada shoes  
With a whole lot of ice  
I'm talking flawless, so bright, light up the night  
Kanye head spitty, head good like

Yeah you can have a good life  
Long as I'm in it, you in it, no price, that's right  
Me and your last dude not alike  
He treated you bad boo but I'm a treat you right  
Listen to me, young and thugging

Girl I can in spoil you  
What I can do to no other guy can do it to you  
Show that you straight, I mean what I say  
I wanna buy you everythang

Pick and choose what you wanna wear  
So much clothes in your closet, you won' t know it's there  
They... so rare, red carpet rolled out, all they do is stare  
Paparazzi takin pictures, you and me a great pair  
Jet magazine, couple of the year  
Off in beijing, yeah we took a leer  
Clean as a whistle, fresh as a baby, we in the air  
Spending paper like crazy, I don't fuckin care  
Yeah you mean you everything in me  
I save her 5 million home shining like a chandelier  
I'm selling you dreams, baby I'm sincere  
Balling like a team, cavalier  
I'm out of space, they so near  
Let's pick meditate, our world premiere  
In other word, getting my last name, my dear  
Do it better than your last man, I'm a keep it real

Girl I can in spoil you  
What I can do to no other guy can do it to you  
Show that you straight, I mean what I say

I wanna buy you everythang
